## TAX SALE

If you owe delinquent property taxes, that is unpaid 2014 taxes and interest, you are advised to contact the Village Office at your earliest opportunity. Any property with a delinquent balance on September 26th, 2016 will be offered at auction for sale as required by the Local Government Act.

Please see the bulletin board at the Village Office for a detailed notice.

## BRIDGE PROJECT

The Bridge Replacement Project is underway. The project management has been awarded to RPB Constructors. As the various companies prepare quotes for services such as engineering and construction they will be looking for availability of local services. At the Village Office we will direct enquiries to our business license holders.

If you are providing a service in the community and would like outsiders to know about it, you are encouraged to make your application for a business license which comes with a listing on our website.

Business licenses are for a calendar year and renewable each January.
