## BRIDGE PROJECT UPDATE

We are on track with our schedule. We expect to invite bids for construction by March 3rd. Visible work is expected to start mid May. Anyone interested should watch the BC Bid website. [www.bcbid.gov.bc.ca](http://www.bcbid.gov.bc.ca)

## SPRING CLEANUP

There will be a spring cleanup this year. Here's some things you should know about the process.

Gather the stuff from your yard and house and assemble it at the curbside in sorted piles (untreated and unpainted wood, metal, and garbage).

Use containers as best you can.

Pickup by public works crew will start on April 3rd. They will do one pass through town. If you can come out and help while they are at your house, it will be appreciated. Once they have been on your road, do not pile anything further at the curb.

**There will be free tipping from April 3rd until April 19th at the landfill for anyone missing the pickup.**

## BC ASSESSMENT

Have questions about your property assessment? Contact BC Assessment at 1-800-valueBC or visit them online at [www.bcassessment.ca](http://www.bcassessment.ca).

## SUNKEN BARGE LETTER WRITING CAMPAIGN

**Council would like to encourage you to email Ryan Greville, A/Manager, Navigable Waters Protection for Transport Canada. His email is ryan.greville@tc.gc.ca**

Tell him about your concerns regarding the sunken barge in our bay. We understand that the more pressure we collectively direct the better we will be heard.

## BORED? LONELY? FEEL LIKE HAVING SOME FUN?

Chances are there are more people looking for an opportunity to gather for socialization. The Community Hall is empty most of the time.

Card games? Board games? Badminton?  
Crafts? Scrapbooking? Aerobics? Workouts?

Grab an idea and run with it. Let's get something going in the hall again. It's time. Contact the Village office and we'll iron out the details together.

## REGULAR COUNCIL MEETING SCHEDULE FOR 2017

## RENTAL ACCOMODATION

People from out of town often phone the Village Office looking for contact information for a place to sleep during their visit to Zeballos. Do you have a room to rent? Would you consider renting your house to others? Please call the Village office if you have a remedy for the shortfall of overnight accommodation to meet the needs.

## ESS DIRECTOR NEEDED

Do you have some time? Would you like to help out in time of need? Essential Social Services is a branch of the larger Emergency Preparedness team. ESS helps people with basic food, shelter, warmth in times of emergency or distress. This would apply to individual incidents such as a house fire, as well as community wide incidents such as flooding. In the community spirit there will be lots of help, but we need a leader to keep it organized.

Contact Meredith at the Village Office with any questions or to offer to fill the need.
