SPRING CLEANUP!

The Village will offer **FREE TIPPING FEES** at the landfill until June 4th, 2016.

Village crew will offer pickup service for oversized articles on **May 31st ONLY**. The Village doesn't have the manpower to provide curbside pick-up for more than one day, so don't miss out! Call the Village Office to arrange for pick-up. Items for pick-up must be left

on the curb in a tidy fashion.

Don't Forget! There is a steel bin just outside the public works yard for your metal items.

WATERFRONT PARKING ATTENDANCE SERVICES

Are you interested in making a little extra money and being part of the solution to Village parking issues?

We are looking for someone to monitor the waterfront and dock areas as well as the campsite and RV Park to keep vehicles flowing and paying for the use of the taxpayer sponsored services.

For this service, you would receive a negotiable share of all parking, moorage and launch fees collected by the Village over the year. If you are interested, contact Eileen Lovestrom, Administrator, by phone 250-761-4229 or by email zeballos@recn.ca.

FIRE DEPARTMENT

More members are needed!!

What would you do if you called the fire department and no one came?

It is a very real possibility due to the low membership.

Step Up! Join In! Help Out! If not you, then who?

Fire Practice is every Wednesday at 7:00 pm at the fire hall. No notice required. Just show up!

Looking for volunteers who can commit to attend at least 70% of fire practices. Volunteers receive on-duty accident and life insurance coverage, as well as tax credits for serving 200 hours per year.

MUSEUM HOST

The Zeballos Museum is in need of a host for the summer. If you are between 15 and 30, in school full time now and returning to school in September you are eligible to apply. We are offering 30 hours a week for 10 weeks starting June 27th. Weekend work will be required. Please submit your application to the Village Office by June 10th. Here is an opportunity to share your knowledge with visitors.

EMERGENCY PLAN DIRECTOR

The Province of BC mandates that we must have an Emergency Plan Director. The Village of Zeballos is in dire need of a volunteer Director and a Deputy. We have a workable plan in place but need someone to take the lead role in preparing the community for activation. You won't have to go it alone! Village Council and staff are here to help and training will be provided through courses with Emergency Management BC.

Please contact the Village Office for more information.

USEFUL CONTACT NUMBERS

Wheels for Wellness

ANIMAL CONTROL BYLAW

A reminder to all dog owners: Dog tags are required to be purchased from the Village Office.

Licenses are for the calendar year and due now.

Dogs are also required to be on a leash when off the owner's property.

NEEDING PROFESSIONAL SERVICES??

When a service provider comes to town, they often do a job for one client and leave. Lets work together to save a little time and money!

If we spread the word that a service is coming to town, we can all benefit by splitting travel costs and offering a full day of work. Let someone know the next time you've hired a sani-pump service, an electrician, a plumber, a surveyor, etc. . .

Any suggestions for solutions? Let's talk.
