

PUBLIC INFORMATION FOR JUNE 2017

with the SUGARLOAF BRIDGE PROJECT

- The bridge construction closure will take place at approximately 08:00 on Monday June 5, 2017.
- Over the week of June 4 to June 10, 2017 the following will take place by the contractor Surespan Construction:
 - construction zone signage and fencing will be placed west of the spawning channel bridge on Parkway Road and on the east side of the bridge at the intersection of Parkway and Maquinna Ave.
 - survey, installation of traffic control signage and fencing, grubbing and some clearing of trees, set up of laydown area and mobilization of equipment and materials.
- From June 10 to the end of June 2017 the contractor will be working on environmental controls, access the piers, relocation of the watermain, demolition of the old bridge and the starting of abutment piles.
- The hours of work will be from 07:00 to 19:00 daily.

There will be no public access within the construction areas and zone shown below:
